*Republican Primary on May 24*

Dear Neighbor,

My name is Sheila Banister, and I am running for Alabama State House of Representatives District 4 in the Republican Primary. I am a businesswoman, wife, mother, volunteer, Christian and defender of freedom. I am running for office because District 4 needs a representative who demonstrates great leadership and actively advocates for our freedoms, excellent education for our children, limited government and economic prosperity.

**Since Rep. Parker Moore was elected, he has FAILED to lead in any area. He has allowed our freedoms to be taken, has stood idly by as our children fall further behind in a failed educational system and he supported the perpetual gas tax by packing up and not casting a vote.**

As your next Alabama State Representative, I will be a leader who represents you, your families, your businesses and your freedom. I aim to support initiatives and efforts that fight to deliver strong and efficient solutions. Education will be one of my top priorities as I believe that every child deserves the best educational opportunities to achieve their American Dream. I plan to work with other leaders to expand parent and guardian choice, eliminate "Common Core" and take responsibility for identifying and fixing our failed educational system. In addition to education prioritization, I will be a responsible steward of taxpayers' monies, working to repeal the 2019 gas tax and finding additional ways to decrease taxes for businesses and families, and I will continue to protect freedoms for all Alabamians.

I believe the most effective government is one that is a continual partnership between leaders and citizens. I seek to uphold the values and ideas that make District 4 such an incredible place to live.

I will work to serve you, your children, your families, the vulnerable and our taxpayers. I humbly ask for your support in electing me to serve you on Tuesday May 24, 2022.

Thank you for your consideration and, hopefully, your vote.

Sincerely,

P.S. Unless we make different choices, nothing will change in our state! Please join me in this effort by voting for Sheila Banister on Tuesday, May 24, 2022.

Sheila Banister is committed to excellence in everything she does. Her life and professional experience have helped prepare her to serve the people of District 4. Below is a highlight of this experience.
